IRON HORSE MINI SKIDDER

The Jonsered Iron Horse is an incredibly powerful and versatile log and materials transporter. It has a light footprint, is easy to transport and will go virtually anywhere. The Pro model includes a power winch and can be equipped with a variety of trailers and accessories.

PORTABLE CHAIN SAW MILL: SM 2186

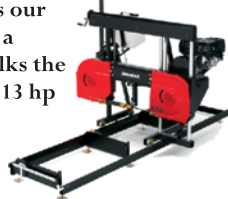

Ideal for small one-man operations, this highly portable mill comes with a powerful Jonsered CS 2186 that can be easily detached and used as a conventional chain saw.

Max. Round Log Diameter: 19.5"
Max. Squared Log Dimensions: 25" H x 19.5" W
Includes two 9.8' rail track sections

PORTABLE BAND SAW MILL: SM 2196

Features the same low-level rail bed as our chain saw mill. The operator stands in a comfortable, upright position and walks the carriage along the rails. Powered by a 13 hp Honda engine.

Max. Round Log Diameter: 27.5"
Max. Squared Log Dimensions: 27.5" H x 19.5" W
Includes two 9.8' rail track sections
